

Collecting

Urs Peyer gets the best ideas from newly released models. The models supply not only ideas but also parts for his projects. Consequently, there are very few 'as released models' in his display cabinets ...

Models

CCM delivered all versions of the D9H by the end of the year. We took a closer look at these much talked about models and also queried the maker about them ...

Cat D8T and 740B EJ	14
Caterpillar D9H from CCM	18
Liebherr R 9100	26
Sennebogen 690 HD	29
Road construction set	30
Heavy haulage set «Kübler»	32
ÖAF Dumper 1:87	34

One year after the release of the Diaphragm wall grabber version comes the Sennebogen 690 HD with dragline bucket. The dragline excavator was put under the magnifier and shone a light on the weak and strong points of the model ...

Current

To complement the new CCM models, our Cat specialist Thomas Wilk gives us an in depth history on perhaps the world's most famous construction machines ...
