**Trucks & Construction** Issue 1-2018  
Models of trucks, construction machines, trains and more

Contest included

Volvo EC950E

Scratch built 1:50 Sisu M 162

25.25 m truck and trailer history of the Giga-Liner

Collector's portrait

NZG 1:90 Liebherr LTM 1250-5.1

Our leading themes: to explain his model of the Sisu M 162, René Tanner wrote a story about the trucker Johu Koppola from Finland; for once, there is no shortage of construction machine models those here being the Volvo EC950E, the Cat 745 and the Liebherr LTM 1250-5.1.
