Trucks & Construction Issue 2-2018

Models of trucks, construction machines, and more haulage

Included Toy Fair Report

Scratch built 1:50
Scania 140

Diecast Masters 1:50
Caterpillar 980M

Conrad 1:50
Grove GRT8100

Our leading themes: Our trip across Europe continues using the former scratch-built models from René Tanner. In this installment it is a Scania 140 'Buscar' in Denmark. The construction equipment described in this issue is varied and includes machines from Kobelco, Caterpillar, Grove and many others.

Markus Lindner
