Collecting

The collection of Roman Dolny is very tastefully displayed. There is room for only about a third of the 1300 models in the display cabinets ...

Now that the Bauma 2016 is history, many hobby wallets are empty and the cabinets are full to bursting. We were on site visiting many companies and give you an overview of the newest models ...

Models

Before the Bauma we were able to get a parcel from the Wirtgen group of companies and especially like the new model of the tandem road roller Hamm DV+ 90i VO-SA ...

New from YCC is a lattice luffing jib matching all previously released variations of the Liebherr LTM 1400. We had a Thömen variation available for our test ...

Current

The work is progressing on Wilfried Schreiber's church construction diorama. During the excavation phase three Fuchs excavators are at work among others ...

Heinz-Willy Goebbels collects high quality 1:87 scale models. He just loves to show them off in small, highly detailed dioramas. He does not even shy away from taking a model apart just to make it fit ...
