- 34 Terex RT90 from Conrad 36
- 42 Model history – Cat No. 70 Scraper 38
- Historic construction – Glulam installation 40

Our cover stories: With the Norwegian MAN F8, we are showing a further master piece from René Tanner. The model maker describes how he makes the cargo tarps. The Caterpillar 994K story serves the needs of our mining friends and the Volvo F10 by WSI is on the road to the Middle East.
